## Remembrance Events:

## Oct 30th - Nov 1st

*(More details for each event are on the website!)*

**Parents:**

- We need as many parent volunteers as possible to assist with transportation and supervision for Poppy Days. Your support ensures our cadets can participate in these important community events. Your help is greatly appreciated.

**High School Students**

- All of the below Remembrance events count towards your volunteer hours.
  - Hours for the vigil and ceremony are determined by number of shifts and parade participation.

**Cadets:**

- Your participation helps support local service organizations that, in turn, support our corps and veterans. We need as many cadets as possible, especially new cadets, as community service is a vital part of the program. Supporting local legions and veterans during this time of remembrance is crucial. The legions are our primary sponsors and provide funding to the cadets, the majority of this funding comes from the poppy campaign

**IF YOU SIGN UP FOR AN EVENT YOU MUST MAKE EVERY EFFORT TO SHOW UP.**
**WE CANNOT AFFORD HAVING MISSING CADETS FOR POPPY SUPPORT.**
